

Alice: What a peculiar place.

Cheshire Cat: purrrrr...verrrrrry...pecuuuuliarrrrr. Verrrrry pecuuuuliarrrrr indeeeeed. Some might say completely mad...

Alice: I'm afraid I might be lost.

Cheshire: Afraid? Why would you be afraid? Lost is a wonderful way to be. Lost means you can explore! Though beware the jabberwocky. The jaws that bite and claws that catch!

(Alice looks frightened) Oh, don't be frightened, my dear. You're in luck. You met me, and I know wonderland like the back of my hand. Go ahead...this way. And...smile!

White Rabbit: Oh dear! Oh dear! I shall be too late! Time is ticking!

Alice: Excuse me...

White Rabbit: Excuse me?! Excuse you! No time to talk!

I'm late! I'm late!

For a very important date!

No time to say hello, goodbye, I'm late, I'm late I'm late!

There's danger if I dare to stop

and here's a reason why:

I'm over-due, I'm rabbit stew.

Can't even say good-bye,

Because I'm late, I'm late, I'm late.!

Alice: Curiouser and curiouser. Hmm.. I wonder who lives there.

Mad hatter: More tea, doormouse?

Doormouse: Yes please. And may I propose a toast... ehem...

Thirty days hath September,

April, June, and November;

All the rest eat peanut butter

Except grandma who much prefers marmalade.

March hare: (Applauds) Very good, very good. And may I propose a toast...

ehem...

Roses are red, Violets are blue

They smell nice

Unlike you

Mad Hatter: (laughs and applauds) Very good, very good. Any may I propose another toast...

Statistics prove that you will have

One birthday every year

But there are 364 un birthdays

That is why we are all gathered here

It's great to

Drink to someone,

And I guess that  
You will do,  
A very merry unbirthday to you, and you and you....

Q of H: OFF WITH THEIR HEADS

(Everyone scrambles into a line, frightened, saying quick/she's coming etc.)

Duchess: People of wonderland, you snivelling lot! We are gathered here to witness the homecoming of our royal sovereign, my dear sister and ruler of all of Wonderland. Presenting...her royal highness... her fabulousness... the queen of hearts.

Queen of hearts: My royal subjects! My people! Fall to your knees and tremble in the presence of your queen... (gasp) what is this? White roses? WHITE ROSES? Who did this? Off with his head!

Duchess: Your highness...I will find the culprit. Was it you, fluffy feet? Loopy loo? How about you, smiley? Or you, wiggles?

All: Not us, your grace

Duchess: You... you're new here...

Queen: Well then off with her head!

All: RUN!

(Alice runs away, everyone runs after her and off the stage leaving Alice and the Caterpillar alone)

Alice: Phew, I think I lost them. Oh! Who are you?

Caterpillar: The question is... whooooo are youuuuuuu?

Alice: I'm Alice

Caterpillar: Well, Alice...

How doth the little crocodile

Improve his shining tail,

And pour the waters of the Nile

On every golden scale!?

Alice: What are you talking about? You're mad.

Caterpillar: We're all mad here. The best people usually are.

Alice: I just want to know what is going on here! Where on earth am I?

Caterpillar: Why, my dear... you're in wonderland. Welcome.
