

Mary Poppins: Right children it's time for your medicine

1: But we're not ill!

2: I won't take it!

3: You can't make us!

Mary Poppins: I can. Open up

She walks along the line giving everyone medicine

4: Mmm strawberry ice

5: Lime cordial

6: Jelly and ice-cream

7: Chocolate fudge Cake!

8: Banoffee pie!

9: This is delicious Mary Poppins

Mary Poppins: We need to tidy up this mess before bed.

10: But Mary Poppins...

11: I thought it was a game.

12: Tidying is so boring

13: I told you she was tricky

In every job that must be done There is an element of fun

You find the fun and snap! The job's a game

And every task you undertake

Becomes a piece of cake

A lark! A spree! It's very clear to see that

A Spoonful of sugar helps the medicine go down

The medicine go down-wown The medicine go down

Just a spoonful of sugar helps the medicine go down

In a most delightful way

A robin feathering his nest

Has very little time to rest

While gathering his bits of twine and twig

Though quite intent in his pursuit

He has a merry tune to toot

He knows a song will move the job along - for

A spoonful of sugar helps the medicine go down

The medicine go down The medicine go down

Just a spoonful of sugar helps the medicine go down

In a most delightful way
