

Don't Stop Believing - Dream Train

Announcer:

"Attention, passengers! The train to *Big Dreams* is now boarding on Platform 1. Please mind the gap... between your fears and your future!"

1:

"My dream is to be a dancer. Dancing makes me feel free. It's not just about steps, it's about telling a story with your body. That's the journey I want to take."

2:

"Mine is to be an artist. I want to turn doodles into masterpieces, turn feelings into shapes, and express myself on the page. Art is how we discover the world around us."

Announcer:

"The train to *Teaching and Learning* is now boarding on Platform 2!"

3:

"I want to be a teacher. Teachers don't just share knowledge, they light a spark that helps others grow. Every lesson, every question, every challenge is a chance to change someone's journey."

4:

"Me too. I'll be a great teacher, I've been practicing: 'Eyes on me!' 'Stop swinging on your chair!', 'Don't eat that glue stick!' Teachers need patience, but I think I could do it"

Announcer:

"The train to *Caring and Healing* is now boarding on Platform 4!"

5:

"I'm going to be a doctor. To help people when they're scared, listen when they're worried, to give them hope when they need it most. It's not just medicine, it's kindness"

6:

"My dream is to be a mum. I know it might mean sleepless nights, noisy days, and stepping on Lego - ouch! But it also means love, laughter, and helping your children on their own journeys."

Announcer:

"The train to *Science and Discovery* is now boarding on Platform 5!"

7:

"That's my train. I want to know how things work - how do rockets fly? How stars shine? How do biscuits mysteriously disappear from the tin...? Science is one big puzzle, and I want to solve it."

1:

"Sometimes people say your dream is too big."

2:

“But that just means you have to grow into it.”

3:

“Sometimes the journey feels too long.”

4:

“But every try, every mistake, teaches you something.”

5:

“Dreams aren’t about reaching the end quickly.”

6:

“They’re about not giving up, even when your legs feel like jelly or your brain feels like mush ”

7:

“So which train should we take?”

8:

“The one that belongs to us. Even if it’s scary”

9:

‘Believe in yourself. The journey is yours!’

Just a small town girl
Livin' in a lonely world
She took the midnight train going
anywhere

Just a city boy
Born and raised in South Detroit
He took the midnight train going
anywhere

A singer in a smokey room
A smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on

Strangers waitin'
Up and down the boulevard
Their shadows searchin' in the night
Streetlights, people
Livin' just to find emotion
Hidin' somewhere in the night

Workin' hard to get my fill
Everybody wants a thrill

Payin' anything to roll the dice
Just one more time

Some'll win, some will lose
Some are born to sing the blues
Whoa, the movie never ends
It goes on and on and on and on

Strangers waitin'
Up and down the boulevard
Their shadows searchin' in the night
Streetlights, people
Livin' just to find emotion
Hidin', somewhere in the night

Don't stop believin'
Hold on to that feelin'
Streetlights, people
Don't stop believin'
Hold on
Streetlights, people
Don't stop believin'
Hold on to that feelin'
Streetlights, people
